

Tuesday 10th September 2024

Dear Parents/carers,

I am delighted to welcome you all back for what promises to be a fantastic new school year! The energy and enthusiasm that filled our hall as all the year groups returned was truly heartwarming. It's especially wonderful to see our new Year 7 students settling in so quickly and making QB their second home. They've embraced this new chapter with curiosity and excitement, and I am confident that they will continue to thrive as part of our vibrant school community.

Over the coming months and indeed, the years ahead I am excited to get to know each of you better. Together, we will continue to build a supportive and inspiring environment where every child can flourish. I look forward to working closely with you and being part of your child's journey, celebrating every achievement and supporting them through any challenges that arise.

Our Year 11 students have also returned with an impressive sense of purpose and determination. They've hit the ground running, fully embracing the challenges of this crucial year. I have no doubt that their hard work and dedication will pave the way for a year of growth, success, and memorable accomplishments.

As we embark on this new academic year, let's embrace the opportunities ahead with optimism and a shared commitment to making this the best year yet. Together, we will continue to nurture the potential of every student and strengthen the spirit of our QB community.

As you may be aware, the staff and students at Queensbridge celebrated some fantastic results over the summer. I congratulate each one of the year 11 leavers and we wish them well on their next steps.

More information on the results will be published on the website later in the month, so I encourage you to look, celebrate and feel a sense of pride. The staff at Queensbridge are amazing and deserve real credit and acknowledgement for their hard work and effort. I know I am thankful to each one of them.

Some of the headlines include:

- Over 19% of students achieved above a grade 7 in their English and maths
- Over 64% of students achieved a grade 5 or above in English and maths
- Over 78% of students achieved a grade 4 or above in English and maths

FUNDRAISING

As a community we have a continued commitment to help raise awareness and support those in need. Therefore, we will be holding a Macmillian coffee morning to help raise awareness of how Macmillian support those affected by cancer. The coffee morning will be held for staff and students on Friday 29th September.

Do not forget you can also help support us by using [Fundraising | Charity Fundraising Online | EasyFundraising](#) to complete all of your online shopping and raise money for QB at the same time. Click the link to find out more.

COMMUNICATION

All communication to school should come through enquiry@queensbridge.bham.sch.uk
Specific communication regarding special educational needs to come through SEND@queensbridge.bham.sch.uk We aim to respond to all communication within 48hrs.
Please do not email staff directly, all communication must go through enquiry.

All communication regarding letters, homework, attendance, reporting and recognition will be available on the 'Edulink' app.

STANDARDS

Thank you for supporting the school in re-establishing our high standards of uniform this term. A reminder mobile phones are not to be seen on-site, including at the end of the day as students walk to the gates. If they are seen, they will be taken and kept until the end of the week for a parent to collect. I have no doubt you will support this safeguarding measure and will ensure your children always comply with this rule.

We encourage pupils to return home at the end of the day and avoid parks and gathering on the high street.

Thank you for your continued support, if you have any questions, please email enquiry@queensbridge.bham.sch.uk

Yours sincerely

Mr H Singh
Headteacher
