Dear Parents/carers,

As we begin the third week of the new academic year, I wanted to take a moment to thank you for your continued support and to share how pleased we are with the start our students have made.

I have been particularly impressed with the determined and mature way that Year 11 have returned to school. They have been using the organisational and study skills they learnt in last year's Values Week to ensure they have a strong start, and I am confident that this will set the tone for a successful year ahead.

It has also been lovely to see how quickly Year 7 have settled into life at Queensbridge. The extraordinary number of recognition points that have been awarded to them already reflects the positive attitude they have shown since they started. We hope they will continue to embrace all that Queensbridge has to offer, including the many clubs and extracurricular activities available, which are a fantastic way to make new friends, explore interests, and feel part of our school community. Congratulations to Oliver in Year 7 and Lam in Year 10 for being the first 'Students of the Week' this academic year, and I look forward to being able to recognise many other students' achievements as the year progresses.

Across all year groups, students have returned with focus and enthusiasm, and it has been a pleasure to visit lessons and see such purposeful learning taking place. Staff have commented on how well students are engaging with their subjects and how quickly routines have been re-established.

FUNDRAISING

As a community we have a continued commitment to help raise awareness and support those in need. Over the next two weeks we will be holding our now annual Harvest Festival which collects food for Kings Heath Food Bank. After the summer the stocks at the food bank are low and it is an opportunity for us as a school to support others in our local community. Students have been given information in form time about the items that can be donated and, if you are able, it would be wonderful if contributions can be brought into school to support this local charity which directly support a number of Queensbridge families.

Parent Governor Elections

At the beginning of October, I will be writing to invite parents to stand for election as a parent governor or nominate another parent to do so. This is an exciting opportunity to contribute to Queensbridge School. We have provision for four parent governors on our Governing Board and there are currently **two** vacancies.

As always, we know that the partnership between school and home is vital to ensuring our students thrive. Whether it's supporting with homework, encouraging good attendance, or simply talking about what they've learned each day, your involvement makes a real difference. Please don't hesitate to get in touch with us if you have any questions or concerns, we value your input and want to work together to make this year a successful one for every student.

Thank you again for your support.

Yours sincerely

Miss S Taylor
Interim Headteacher
