Dear Parents/Carers

**RE: Acting Headteacher**

Following my letter at the start of term, I am writing on behalf of the Governing Body to provide an update regarding the Headteacher position at Queensbridge School.

After an interview process last week, the Governing Body is delighted to confirm the continuation of Miss Taylor in her role as Acting Headteacher until the end of the academic year. We are pleased with how the term has begun and are grateful for the leadership and stability she has brought to the school community.

As you may know the government recommends that all senior staff appointments be open to national competition. With this in mind, we will advertise for a permanent headteacher in the Spring Term and would hope to appoint the successful candidate to start their employment in post from September 2026. This process ensures that we meet the standard expected of all schools and allows for a fair and transparent appointment procedure.

We will continue to keep you informed as appropriate and thank you for your ongoing support.

Yours sincerely

Mrs J Klaces  
**Chair of Governors**
