

24<sup>th</sup> June 2026

Dear Parents and Carers,

**Re: School Closure – Thursday 25<sup>th</sup> June 2026**

Following careful consideration of the latest weather forecasts and the impact of the extreme heat on our school environment, we have taken the decision to close the school tomorrow, Thursday 25<sup>th</sup> June.

The safety and wellbeing of our pupils and staff is always our highest priority. Despite the measures we have put in place to manage the high temperatures, the nature of our school building makes it very difficult to maintain a safe and comfortable working environment in a large number of classrooms.

We appreciate that this closure may cause inconvenience, and we thank you for your understanding and support. We would encourage all families to take appropriate precautions during the hot weather, including staying hydrated, avoiding prolonged exposure to the sun, and remaining in cool, shaded areas wherever possible.

**Year 7 Online Progress Evening will go ahead on Thursday as planned.**

We will continue to monitor the situation closely and will provide a further update regarding arrangements for Friday as soon as possible.

Thank you for your continued support.

Kind regards,

**Miss S Taylor**

Headteacher
