

Tuesday 21<sup>st</sup> November 2023

Dear Parent/carer

### **OFSTED Inspection Outcome.**

As you know the inspection took place on Tuesday 17<sup>th</sup> and Wednesday 18<sup>th</sup> November 2023. We were visited by 4 inspectors as well as a Quality Assurance Inspector of the process. They saw a wide range of lessons across several departments and spoke with a range of staff and pupils as well as observing social time and lesson time. The report takes account of the staff, pupil and parent views.

I am pleased to share the final Ofsted report with you all [Stronger Together | Welcome to Queensbridge](#). So much has changed in the educational landscape in the last decade since we were last inspected. This new and rigorous framework has highlighted so many areas of success for our school. Our continued excellent academic performance places us as a leading school in the south of Birmingham, across the city and places us as well above average across the country. [Click here to examine our school data](#)

I welcome that the report has recognised and highlighted some of our exceptional strengths and I am sure you will also recognise our school in the report. We are praised for the opportunities we provide for our pupils, and this was also a highlight in the parent feedback with over 95% of families stating they would recommend us as a school. The report reflects how inclusive and diverse we are and mentions how this gives our students a sense of pride. Our students value the quality of their learning, and they know and understand that we have the highest of expectations of our pupils.

There is much more to highlight and celebrate and I have no doubt you will take the time to read and reflect on all our collective hard work and efforts. I will also take this opportunity to thank you all for all the welcomed comments on the parent survey as well as the large number of well wishes we received throughout the inspection. Your support is invaluable to us.

I would also like to take an opportunity to recognise our exceptional staff body without whom this is not possible.

They concluded that we are a Good School.

From the inspection report we take comfort in the fact that we have made accurate evaluations of our school and that the steps we have put in place to strengthen the provision has already made an impact and will continue to pay dividends.

Yours Sincerely

Mr Singh  
Headteacher
