

Monday 12<sup>th</sup> May 2025

Dear Parents/Carers,

Queensbridge is proud to be a community school and as such we are always looking to work to help support all those in our community.

I am proud to be able to announce that we run a year-round community food collection service. We have a designated place in school where students, families, staff and members of our community can drop off tinned and dried goods as well as toiletries that we then ensure are delivered to the Kings Heath Foodbank.

In the month of November, we donated over 1000 items. I would like to take this opportunity to send your children in with items to drop off as our next drop off to the Kings Heath Food Bank will be before the summer. Our aim is to ensure those who need it the most have enough over a long summer for many families when schools are closed.

Thank you for your continued support.

Yours faithfully

Mr H Singh
