

Queensbridge School

A Specialist College in Visual and Performing Arts

28th January 2022

Dear Parents and Carers

We are sorry to announce that after 23 years of outstanding service to Queensbridge School, our Headteacher, Mrs Reeves has tendered her resignation and will leave our school at the end of the academic year in July 2022.

Mrs Reeves has held a leadership role at Queensbridge since 1999 and has been Headteacher since 2016. We know that school will remain in her safe hands until she leaves and we will ensure that there is an effective transition to the new Headteacher for September.

Governors are now in the process of recruiting a new Headteacher, further details will be shared in due course. There will be an opportunity to recognise Mrs Reeves outstanding contribution to our school later in the school year.

Yours sincerely

Jo Klaces

Mrs J Klaces
Chair of Governors
