

Queensbridge School

A Specialist College in Visual and Performing Arts

4<sup>th</sup> April 2022

Dear Parent/Carer,

**Re: iDay**

I am writing to inform you that we have our third iDay of this academic year on **Thursday 7<sup>th</sup> April**. This is an exciting opportunity for all pupils to spend much of the day with their form tutors and further their PSHE curriculum which is a statutory part of the national curriculum. Pupils will be studying topics such as healthy relationships, peer pressure, the impact of county lines and the concerns around young people vaping.

Year 11 will spend a proportion of the day receiving targeted support with regards to exam preparation. This will include working with our partners Elevate Education, who are specialists in providing young people and parents with practical skills and advice that lead to successful outcomes.

Yours sincerely

Mrs H Reeves  
**Headteacher**
